

Places to Eat

Glasgow has a VIBRANT FOOD CULTURE — *E. McCallum-Stewart*.

Glasgow's restaurant scene has grown and improved considerably in recent years — and originally the focus of this growth was in Finnieston, the area of Glasgow closest to the SEC - though it is much more widespread throughout the city these days.

This guide obviously cannot cover every place to eat in Glasgow. We've covered [Finnieston](#) pretty comprehensively, but further than that we'd rather provide a list of places we'd go out if we fancied a meal. We've arranged this by style of meal.
